

**CONFIDENCE LOOKS GOOD ON YOU!** Fear...not so much. Fear is what keeps you from walking in what you know to be true about your future, and what you were wonderfully crafted to do. Life is short; the time to get started is now! — **RJ JOHNS**

## INSPIRATION

### THE COACH

**RJ IS A SPEAKER, TRUTH-TELLER, AND DESTINY BUILDER.** Desperate times call for desperate measures. Now more than ever, the ability to both discover and leverage your purpose is critical. Unfortunately, fear typically sets in before the goal can be achieved — insert RJ. Her transparent talks drive out doubt, spark productivity, and encourage participants to move forward in excellence. Helping you find your ‘voice’ is the key. Animated and dynamic, she is passionate about coaching women.

RJ holds a master’s degree in Communication Arts from the Savannah College of Art and Design where she developed an affinity for graphic design, photography, and personal branding. A wife and bonus mom, she also enjoys long walks on the beach (seriously), international travel, and volunteering for causes that provide under-served children with education and resources.

### THE MESSAGE / SPEAKER TOPICS

**RESET YOUR MIND FOR SUCCESS:** To change your mindset is to change your future. So, let’s walk you through the process of releasing fear and then gathering the tools and support you need to make your dreams a reality.

**THE POWER OF COLLABORATION:** You don’t have to do this alone. Surrounding yourself with the right minds and team will put you on the path to success. Let’s move forward...together.

**HARNESSING (AND THEN LEVERAGING) YOUR PURPOSE:** Your voice is needed. The assignment you’ve been given is both unique and important, and there is no one better equipped to do it but you.

RJ spoke at our SHINE Women’s Conference in Dallas, Texas and completely blew us away! Her Q&A ran over and attendees couldn’t stop talking about how much they felt motivated to “move forward in excellence” after her talk.
